Philip Hughes led a discussion highlighting the following: although he is a Florida resident, and a US citizen with dual citizenship, according to the current rules, he cannot place in the Florida State Championships. Jeff Clark and Brian Guyer explained the reason he is not allowed such a placement (by a skier who has competed against US skiers within the past two years) to knock out another skier placing at States and thereby qualifying them for Regionals. Phil pointed out that two skiers who competed as MM earlier in the year were allowed to compete as M4 today, and they placed, potentially knocking out other M4 skiers who could have placed, and therefore qualified for Regionals. Brian agreed to bring up for discussion at the Regional meeting in Paducah. Discussion continued about Phil's situation and regarding MM and Open skiers randomly competing in their age division throughout the year. These items were tabled, to be brought to Gene Davis' attention.

Winter Meeting at headquarters December 5, 2009.

Meeting adjourned at 10:26 pm.
