

Gordon West

Gordon has been an active skier and official for many years in Florida and has been a driving force in the Florida Water Ski Federation for many years.

He is a Senior Driver and has driven local tournaments throughout Florida for many years.

He has been an appointed driver at the Florida State Championships, Southern Regional Championships and the Nationals for many years.

Also during this time period he has been the Chief Driver for those tournaments and has been an appointed driver to the Junior World Championships and World Championships.

Gordon was the President of the Florida Water Ski Federation from 2009 to 2015.

Gordon is always professional in fulfilling his duties and is a good representative for Florida and the Southern Region.
