

American Water Ski Association Approved Tournament Towboats 2016

REVISED 12/7/2015

The following list identifies those towboats successfully meeting the 2015-2016 USA Water Ski Approved Tournament Towboat Evaluation criteria and guidelines. By meeting and /or exceeding the USA Water Ski criteria for water ski towboats, the following are now **"APPROVED"** to pull AWSA sanctioned events. Boats are approved only as tested, and must be configured with engine, fuel delivery system, propeller, and transmission as shown below.

As Chief Driver, it is your responsibility to ensure that the Towboat Documentation Report has been completed in WSTIMS. Check with the Chief Scorer to ensure that the boats available or used during the tournament have been recorded. Use the boat models as listed below. Also, please read the AWSA Towboat Use Policy information for model year requirements.
