He has 4 Nationals gold medals combined with many top 5 finishes at the Nationals.

In 2013 he set the M5 National record at 3@10.25/55kph, 3 @ 41 off.

Tim has skied in many of the World Big Dawg tournaments with one win.

Tim has been serving on the USA Waterski & Wake Sports Foundation for many years as both a Board of Trustee member and Executive Committee member.

Professionally, Tim & his family own a GMC, Cadillac, Buick, Chevrolet, and used car business.
